As the web page states, participation in an entire team camp offers all program benefits. Although we cannot offer partial payments, we understand summer and family time. If a teen selects teen camp and only attends part of the program, we will work with the student to offer as many available opportunities as possible.

Please make a note during registration of any planned absences or send an email as soon as summer plans are determined so we can make accommodations to assist the teen in gaining the most from the program.

KAC Staff only:

Payment received on _____ Method of payment _____
